

Stainless-steel • Can't be eaten • Can't be beaten

RodeXit order form - samples

February 2019

1. The samples

You can free of charge order a set of 8 in long proofing strip samples – one **RodeXit Wave** sample and one **RodeXit Straight** sample.

If you are a substantial commercial end user, a pest management firm, a facility management firm, a door producer, or a door service firm, and you want one or two 1 yd long **RodeXit Wave** and/or **RodeXit Straight** proofing strips for testing purposes, you can get them free of charge, provided you are willing to share the test results with us.

If you plan tests, that require more, than two 1 yd long proofing strips, tell us about your testing plans, and we will probably be more than happy to provide the required products free of charge.

The samples will be sent DDP (Incoterms), so delivery at your doorstep is included.

The 8-inch samples will be sent by ordinary mail. The 1-yard samples will be sent by DHL.

2. The order form

You can order the samples

- by completing the below order form, and emailing it to us
 - e.g. attached as a pdf or as a photo **OR**
- by sending us an email with all the relevant information from the order form.
